

St. Marys Open Singles Tournament

June 20-21, 2012

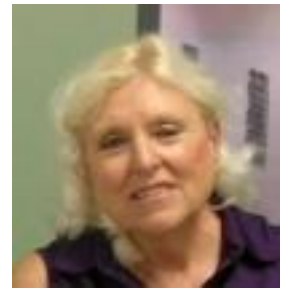

St. Marys City Hall

Here are the results from the St Marys Open Singles tournament June 20-21, with many thanks to the St. Marys Shuffleboard Club for their effort in putting on this tournament, and the town of St Marys for welcoming us so nicely, and providing the facilities free of charge. (We really appreciated the air-conditioning! It was so *HOT* and *HUMID* outside, while the arena was comfortable for us.)

We also thank our Tournament Director, Marlene Corbeil, who kept things organized and moving in spite of a 1hour+ power failure about 2PM on Tuesday, during the first day of the Amateur tournament.

Everyone had their fingers crossed for the power to come back before the tournament was too seriously delayed. Marlene, you did a great job to recover from the delay! Thanks.

Marlene Corbeil
