A good crowd at the Woodbridge AGM. Front right is Maria DeSwart and behind her Linda and Grant McRae, and to the left is Leny Van Dorp, who with her husband Henry, sponsored the associated tournament.

Day-2

After the Amateur finals had started at 8:30 AM, the Open crowd gathered for the Opening Ceremonies at 9:00 AM.

With the score 22-43, Loretta Wadden watches as Joe Zammitt carefully shoots his first shot of the 16th frame. With fast courts running fast at 7 to 8 seconds, Joe is extra cautious.

Many thanks again to our sponsors Henry and Leny Van Dorp. This was your stated last year of sponsorship. Thanks for everything over the years including looking after the OSA trailer. This year, particularly, you ensured the rental of the facility once again, organizing the setup, coffee and Tim-bits, and so much more. But above all, for **LOVING SHUFFLEBOARD! We are forever in your debt!**

Thanks to Tournament Director Lorraine Pollock, and assistant Barb Pipher, for a well run tournament, as always.

Many more thanks to the volunteers who always seemed ready to help: To start, unloading the OSA trailer and setting up the courts; Ongoing sweeping and beading. Finally, on Thursday afternoon, cleaning up and rolling up and stowing the courts etc, etc in the OSA trailer, and the blackboards into Rendall Bilton's pickup truck. Thanks Rendall for using your BIG pickup truck to tow the OSA trailer to its new home, and making all the needed arrangements for storage. And thanks too Rendall, for volunteering to be OSA president for the next two years.
