

KOR Report for Annual meeting - June, 2024

In 2022, the Amateur Points list was divided into 2 sections:

- Active Amateurs
- Non-Active Amateurs (those who had received no points in tournaments for 15 years)

At the Annual meeting in 2023, it was decided to make the Non-Active Amateur list for those persons who have received no points for the last 10 years.

Any amateur who purchases an OSA membership for the current year will always be considered an Active Amateur and remain on that list.

I have received no negative feedback from these decisions, so will continue this going forward.

Please keep me informed if anyone becomes aware of deceased Members.
